SKILLS

Ruby
Rails
Git

Javascript
jQuery
Backbone.js

HTML
CSS
SQL

PROJECTS

ansiktebook.com *github.com/alexkonrad/ansiktebook*

Dynamic single-page Facebook clone implementing polymorphic model associations in both Rails and Backbone.js by way of overridden Backbone models and a custom JSON API.

Object Mapper *github.com/alexkonrad/object-mapper*

Object-relational mapping library implementing ActiveRecord-style SQL interface and model associations using Ruby metaprogramming techniques.

RSS Feed Reader *github.com/alexkonrad/rss-feed-reader*

RSS feed reader in Javascript. Implements nested attributes in Backbone.js, automatic feed updates with AJAX, and overrides JSON objects to interface with custom Rails API.

EDUCATION

University of Wisconsin–Madison
BA–Mathematics, Philosophy [2013]
GPA: 3.3/4.0

Université de Paris VII–Paris Diderot
Study Abroad–Modern Letters, Philosophy [2010-2011]

EMPLOYMENT

Survey Research Interviewer
University of Wisconsin Survey Center [2011-2013]
Interviewed research participants in over 12 social science studies for academic and governmental agencies. Managed contacts with respondents, followed methodological and ethical research protocol, and completed interviews in a timely manner.

HONORS

National Merit Finalist
Placed in the 99th percentile of over 1.5 million American high school students for performance on the PSAT standardized test and academic achievement.

ACTIVITIES

Poetry Editor, Editorial Staff Member
The Madison Review, University of Wisconsin–Madison [2010-2012]

English Language Tutor
Ecole Maternelle Louis Blanc, Paris, Ile-de-France [2011]
